## WALLINGFORD HAPPENINGS. FAIR HAVEN GLEANINGS.

**FARMER RUSSELL DROVE ACROSS**  
**LOTS OVER SNOW.**

Big Drifts in the Suburbs—Blocked  
Roads—The Electric Lighting Question—  
Electric Cars Blocked—General News.  
The snow is badly drifted on the out-  
skirts of the town and many of the  
roads are impassable, especially those  
running north and south. Elijah Rus-  
sell, who lives on Cook Hill, was in town  
Saturday and stated that he had to  
drive across the lots from his house, as  
the snow was drifted in the road so high  
that it was impossible to break through.  
On North Farms and the east side the  
situation is the same, while nearer home  
on North Colony and Main streets the  
road is blocked and hardly passable  
with any safety. On the road to Meriden  
above the Yaleville depot, near Dr.  
Archer's corner, the drifts are from five  
to seven feet high and completely block-  
ade travel by train, and several places  
nearer the center should be attended  
to by the authorities whose duty it is to  
look after the roads in times of severe  
storms or blizzards.

The call for the special borough meet-  
ing to vote on the proposed amendment  
to the charter relating to electric lights  
is worded rather peculiarly in some  
points. The last clause reads: "Electors  
in favor of electric lighting will vote  
Yes; those opposed will vote No." There  
are many of our citizens who are in  
favor of electric lights who do not  
favor the movement, as it is conducted,  
or take any stock in the leaders who are  
at the head of the present onslaught  
against the Gas company. Many do not  
believe that at this time, with the present  
condition of the borough's finances,  
it would be wise to go into any scheme  
which, if it was possible for it to suc-  
ceed, would necessitate the outlay of  
not less than \$40,000 to put in and op-  
erate an electric light plant for the light-  
ing of the borough. The time for such  
appropriations is not now, and many  
who want to see the streets lighted by  
electricity at the proper time and in a  
proper manner will vote No to the  
present wild scheme and await future  
action.

The electric road between here and  
Meriden has been blocked ever since  
Thursday night and up to Saturday  
evening not a car had been running, al-  
though one car and a sweeper had been  
at work for two days getting from the  
railroad over to the turn out west of  
lake and back again. The snow blows  
in on the track as fast as it is thrown  
out. The center street line was run-  
ning all right Friday night and Satur-  
day morning the armature on the car  
was buried out and the car was disabled  
for the day. A new armature was ex-  
pected to be put in position Saturday  
night. The Meriden end of the line has  
had its hands full getting into condi-  
tion without worrying over the Walling-  
ford end.

Ernie Eller in her original creation,  
"Hazel Kirke," should prove a drawing  
attraction at the opera house Wednes-  
day evening. "Hazel Kirke" is one of  
those rare plays that may be seen many  
times without tiring. Mr. Frank West-  
on is the "Pittie Green." Mr. Robert  
Drouet the "Lord Travers" and the  
other members of the company are se-  
lected artists.

Fred B. Hill has been engaged as  
organist at the First Congregational  
church in Meriden, and will begin his  
duties on April 1.  
W. A. Booth had six of the Rosemary  
girls out sleighing Saturday afternoon  
in his big sleigh, and going up North  
Main street the sleigh tipped over and  
the half dozen young ladies were  
dumped in a big snow drift. No one was  
injured.

There are many frozen ears and toes  
about town since the cold snap set in.  
H. H. Martin is confined to his bed  
by severe illness.  
W. R. Gilbert and C. G. Hull are down  
with a severe attack of the grip.  
Mrs. W. P. Whitney is expected home  
from St. Stephens, N. B., on Tuesday.  
Miss Martha Pierce's scholars will  
have a holiday to-day, as their teacher  
will visit schools in Springfield.  
Miss Clara Hall has gone to Brooklyn  
on a visit.

Daniel Grasser, aged twenty-seven  
years, died Friday night at the home of  
his father, George Grasser, on Christian  
street. The burial was yesterday after-  
noon.  
Another new milliner is to locate in  
Wallace block.  
Reserved seats for "Hazel Kirke" are  
on sale at Pixley's.

The following printed program is just  
issued:  
"Poverty Soshal will be given in the  
armory by the ladies of Mizpah chapter,  
No. 37, O. E. S., Wednesday evening, Feb-  
ruary 12, 1895. Proceeds to be devoted  
to the Masonic home."

Every woman what comes must wear  
a dress without two much trimmings.  
Know gent will be allowed two cum  
in with a billed shirt, and stand up dude  
koller without payin a fine of 2 cts.

strangers and look after bashful fellars.

baked beans, pickles, soft molasses kake,  
koffy, with other vintles two numerous

Kidgloves, 2 cts.; hat and flowers or  
fethers, 2 cts.; earrings, plane, 2 cts.; ear-  
rings, diamond, 2 cts.; silk dress, 5 cts.;  
ornamental harepin, 1 ct.  
The fines for men will be numerous,  
and partly as follows: Black buttons, 1 ct.;  
segars in pocket, 1 ct. each; pipe, 1 ct.;  
exempt; watches, not Waterbury, 1 ct.;  
stove pipe hat, 1 ct.; chewing gum, 1 ct.;  
patent leather shoes, 2 cts.; buttonhole  
boka, 5 cts.; creased pants, 2 cts.; gold  
frame glasses, 2 cts.  
Supper begins at 5:30.  
After all have had their vittles, dancin  
will begin, say about half past eight (8)  
o'clock.

the braves and warriors may bring in.

**DOINGS IN ONE OF NEW HAVEN'S**  
**MOST FLOURISHING SECTIONS.**

The Ice Embargo Still Holds—Possible  
Oyster Famine—Fair Haven Vessels Not  
Heard From—Trip by Mr. and Mrs.  
Mitchell—Temperance Mass Meeting—  
Old Homestead Quartet.

The last of the people's course of en-  
tertainments at Grand avenue Congre-  
gational church occurs to-morrow even-  
ing. The course has been a splendid  
success and one of the brilliant social  
affairs of the winter. To-morrow night  
the original Denman Thompson "Old  
Homestead" quartet will sing, and a big  
audience will be present to hear and en-  
joy the fine program.

H. Konold & Son have five barges  
loaded with coal at Amboy, which will  
proceed as soon as the weather will al-  
low. Another empty barge is frozen  
up at their dock here. Mr. Konold says  
they will not suffer for lack of coal, as  
they have a two months' supply.

If the ice embargo continues there  
will soon be an oyster famine. One boat  
with three hundred bushels is tied up  
at Belle dock.

The special evangelic meetings con-  
ducted at the Grand avenue Baptist  
church last week with great spiritual  
profit will be continued every evening  
this week but Saturday evening. Rev.  
W. G. Fennell of Meriden, who assisted  
Dr. Sage in these meetings, will be here  
this week. He preached yesterday morn-  
ing and evening.

Rev. and Mrs. J. Lee Mitchell leave  
to-day for the south to remain two  
weeks. They will visit Washington,  
Philadelphia and Old Point Comfort and  
Mr. Mitchell will also visit the Gloucester  
Agricultural and Industrial school  
at Cappahessie, Va., which the Grand  
avenue Congregational church has ad-  
ded financially. Mr. and Mrs. Mitchell  
will stop several days at Amelia Court  
house, where Mr. Mitchell owns a plan-  
tation.

The New Haven Congregational club  
will hold a meeting in the Grand ave-  
nue Congregational church this even-  
ing. The ladies of the church will serve  
supper at 6:30, and at 8 p. m. there will  
be an address in the audience room by  
Rev. Dr. Clark of the Central Congre-  
gational church, Boston, at which ser-  
vice the public are invited. Music will  
be furnished by the choir of the church.  
A temperance mass meeting was held  
in the Grand avenue Baptist church  
yesterday afternoon under the auspices  
of the W. C. T. U., the Young People's  
and the Junior Christian Endeavor so-  
cieties of the church uniting. The  
church was filled and an enthusiastic  
service was held. After the preliminary  
praise service prayer was offered by  
Miss Hull and the scripture reading was  
by Charles Manwaring. The address  
was delivered by Rev. W. G. Fennell of  
Meriden. It was an enthusiastic plea  
for temperance and abounded in inter-  
esting illustrations. The service  
throughout was deeply interesting and  
in fact was one of the best that has been  
held by the union in a long time.

The L. Candee rubber works will close  
tonight. The company issued an order  
to the employees that the works should  
be closed Saturday night, but the heavy  
snow storm which set in afterwards  
brought a slight boom in the business  
and the company received a few heavy  
orders that had to be filled at once, and  
the hands were notified that the opera-  
tions at the shop would be continued  
until Monday night. Many of the  
people are employed at the shop and it  
is hoped the shut-down will not be pro-  
tracted.

The three-masted schooner James Da-  
vidson has been detained from sailing  
for several days by the ice. She is tied  
up at one of the Quinnipiac river docks,  
where she arrived about ten days ago  
from Virginia with a load of oysters  
and shells. A tugboat captain offered to  
break out the channel and take the  
schooner to sea for \$200, but the schoo-  
ner skipper decided to wait a little longer  
rather than incur the expense. The  
Davidson is bound for Norfolk to load  
spilling for Brooklyn, N. Y.

Nothing has been heard from the  
schooners Bonita and Thomas Thomas  
since they left about three weeks  
ago. They were to load oysters at once  
and return, but it is expected they are  
frozen in the ice at Chincoteague.

Miss Caulfield, a sister of James Caul-  
field of 267 Poplar street and of Mrs.  
Michael Esquand, died at the Roman Cath-  
olic convent at Flushing, L. I., last week  
and the funeral, which took place on  
Friday, was attended by several Fair  
Haven relatives. She was known in re-  
sidence as Sister Mary Catherine and had  
a convent life twenty-seven years.  
She was about fifty years of age.  
On the East Haven roads the drifts  
are in some places five feet high and  
considerable work has been performed  
in keeping the highways open.

## A FINE GIFT

And Testimonial to Mr. W. E. Morgan.  
Fire Commissioner William E. Mor-  
gan was pleasantly surprised at the  
meeting of Admiral Foote post on Sat-  
urday night. After Mr. Morgan was  
elected commissioner his friends in the  
Grand Army decided to make him a  
present of a fine gold badge. On Sat-  
urday night Junior Commander Foster in  
a short speech presented the gift to Mr.  
Morgan, to which Mr. Morgan responded  
in a few well put words. The badge is  
surrounded with a fire hose and pipe  
with a wrench at the bottom, and sur-  
mounted on the whole by an American  
eagle. In the center is engraved a fire  
engine and with the inscription, "Fire  
Commissioner N. H. F. D. William E.  
Morgan."  
On the back of the badge is inscribed  
the following:  
"Presented to William E. Morgan,  
Fire Commissioner N. H. Fire Depart-  
ment, From Comrades, G. A. R."
